

Felony Prosecution Skills

The felony prosecution skills course has been developed for deputy district attorneys who are moving into, or new to, the felony arena. Using an actual case as a thread throughout this three day class, we will focus on the issues and problems that confront prosecutors in felony cases.

Topics include: the charging decision, preliminary hearings, discovery, NGRI/competency issues, motions, plea discussions, jury instructions, trial preparation and presentation, experts, direct, sentencing, and more.
